parently doing the President good. His pulse receded to 114, with pulse and temperature normal. He said that at the evening dressing there was found an area of granulation of the wound. That in view of the weak condition of the patient, it was as astonishing that the President rests so comfortably. He is being given broken ice at intervals of sleep, which his stomach receives kindly his stomach receives kindly and retains. There has been no vomiting since this aftergoon, and Dr. Bliss expects that the stomach will be in a condition to receive food in the morning, and expresses confidence that the morning bulletin will be of such a nature as to revive the hope of the community. He says the crisis has been bridged over, and the case is much more hope-

The News in New York. To-day has undoubtedly been the most unsatisfactory day of the President's illness. The early morning showed signs of less hope for the President's recovery, and the Cabinet officers, Department officials and others of more or less importance, called at the White House to obtain indications. With few exceptions the official bulletins had been referred to as answers to interrogations as to the patient's condition, there being little beyond what they contained to say. While the

ANOTHER HORSE-THIEF.

An Alleged Sewing Machine Agent the Name of Blair Wanted.

Last Thursday Mr. Aaron Hall, of Craw Last Thursday air. Aaron Han, of Craw-fordsville, Crittenden county, over the river, was approached by a fellow giving his name as Blair, who represented himself as agent for the Home Sewing-Machine company. He was rather roughly dressed, being in his shirt-sleeves, wore dark pants patched in the seat, and had a scar between his eyes, running

it would enable him to get around faster. Hall did not hesitate to lend him a \$100 bay horse, with the understanding that it was to be returned Friday. Saturday passed and Blair had not returned with the animal. Hall set out in search of his man, and tracked him to Marion, where he had told an old negro that he had a horse to sell. Mr. Hall came to Memphis and made inquiries among all the sewing-machine companies if there was such an individual engaged in the business, and was told that there was not. It seems to be pretty well settled that Blair is a first-class beat. Hall offers a reward of twenty-five dollars for the capture of the

The Lords?

The venements and said: "Citation of Dr. Bliss had become quite well known, and their effect was very noticeable. Shortly before the bulletin was issued Private Secretary Brown's room commenced him to nearly every one he came in contact said: "I know you. You are cowards, paid he has been Secretary of the Memphis Board of Education and Librarian of the Odd-Felprobabilities of the President's recovery were of distinction as well as a Knight of Honor session last night to take action on the death of Major W. R. McClune, late Sccretary. Mossrs. Boyle, DuBose and Duffy were appointed a committee to present suita intions at the next meeting of the Board. It was decided that the Board attend the funeral in a body, and invite the teachers and attacher of the Board to attend. Messrs. Casey, Du Bose, Raiston and Boyle were appointed pall-bearers. The Board is to be notified by President Rambaut as to time of funderal.

TENNESSEE SOUTHERN

Mississippi in a railroad way has long been considered something desirable. The two States are bound together by common ties, as both are cotton-trade States, and they are mutually helpful. It is readily to be seen that such a line would materially benefit Memphis; indeed it would benefit Memphis more than Vicksburg. Several Vicksburgarties, backed extensively, it is understood by Boston capitalists, will soon file articles of incorporation to establish a road known being sought, and it is understood the local incorporators have all been secured. This is another evidence that the espitalists of the North find this a favorable section in which to invest their money. The cotton inthere is sing graye lears that morning win not bring much encouraging news, owing to the

EXTREMELY DEBILITATED CONDITION of the patient. It has been impossible to ascertain a yithing at all from the sick-room since the even ing bulletin was issued. This is considered an unfavorable indication, as is considered an unfavorable indication, as it considered an unfavorable indication, as the surgeons usually have been quite communicative, at least to the C-binet officers. A member of the Cabinet has just said that up to this hour nothing has been learned from the surgeons since the bulletin was issued. The Mississippi and Tennessee Railroad and the Mississippi and Tennessee Railroad and the Mississippi and Tennessee Railroad and the Mississippi and Tennessee. The bed of the road will extend from a line between Tennessee and Mississippi and Tennessee Railroad and the Mississippi and Tennessee Railroad and the Mississippi and Tennessee. N. M. Jones, John M. Speed, R. H. Speed, W. D. Powel, and Wm. S. Wright, all of Shelby county, Tennessee. It is probable that the new road will affect the steamboat interest of the country. It affords a fine field for young tenters.

BASE HITS.

The Memphis Reds will go to New Orleans the game at St. Louis Sunday between the St. Louis Browns and the Cincinnati Buck

eyes, in the presence of 5000 people. Up to Saturday, in contest for the League championship, Chicago had won 38 games and lost 19; Buffalo 31, lost 24; Detroit 30 lost 31; Cleveland 25, lost 31; Troy 24, lost 33: Worcester 24, jost 31.

New Orleans Times on Memphis-Clarke the Times office was beseiged by persons anxious to learn the result. Later, when the teltime, felt at their deleat; but when the fact was taken into consideration that the Reds by a large majority, had only succeeded in leading the Clarkes by two runs, and that, It is understood that £ too, with one of their best players disabled, it was at once conceded that the plucky Clarkes had acquitted themselves nobly."

Terrible Eruption in Idaho — Bocks
Thrown Several Miles.

Lewiston, Idaho, August 16.—A volcanic eruption took place inside of the mountain, south of the south fork of the Clear Water, about twenty miles east of Mount Idaho, Tuesday, the 9th, sending forth a column of fire and smoke several hundred feet in hight, and rock which fell at a distance of several miles from the place of the eruption. The shock was distinctly felt at Mount Idaho, on the extreme west of Camas Prairie, and at the mouth of Salmon river, a distance of To the Adjutant-General, Washington, D.C.;

part in the celebration will exceed thirty thousand. Many States will send full regiments, together with the Governors of most of the States, accompanied by their staffs. For the receiving and proper comfort of the latter a building will be erected. Adjutant-generals of States and commanding officers of troops intending to participate are requested to call for any information concerning the celebration that may in any manner add in rendering the occasion worthy the great event it is designed to commemorate.

The following telegram has been received at the War Department:

PRESIDIO, ST. FRANCIS CO., August 15, 1881.

To the Adjutant-General, Washington, D.C.;

shock was distinctly felt at Mount Idaho, on the extreme west of Camas Prairie, and at the mouth of Salmon river, a distance of about seventy-five miles. Later news from Camas prairie report a column of smoke issuing from the opening, which is distinctly visible from the prairie. No one as yet has approached the place. Evidences of volcanic action at some former period exist in many places in the immediate vicinity. So far as appears the opening is less than a thousand feet above the bed of the south fork of the Clear Water, and within three miles of the Milner trail, between Mount Idaho and Florence.

Ells's confectionery and bakery, Mrs. Lavins's stable, Jake Stahal's saloon, George Koontz's Block, occupied by T. J. Cassell's grocery, was seriously damaged. On Main street, in addition to the stable and Clay Block, the stores of D. Honoker, P. Mannie and G. C. The First New Bale First New Bale

From Holly Springs, Mississippi, was received to-day by Messrs. W. A. Gage & Bro. It was shipped by I. C. Levy, the largest buyer in Holly Springs, and he always prefers Memphis at a cotton market, though he is in direct communication with New Orleans on the Mississippi Central road. He shipped to this market the past season to various houses over fifteen hundred bales, and expects to reach two thousand the coming geason. The bale above referred to classed
